Don't Forget to Dress Up for

SCHOOL PICTURE DAY!

Helpful hints for the day:

- Parents will be notified which classrooms will be photographed on which day and siblings will be shot on Thursday. So all your child/children have to do is show up dressed up together and the teachers and photographer will do the rest!

- For the best photos have your kids wear their favorite outfit or something that will match your home decor.

NO neon clothing please

- A link to view your photos will be sent to the email roughly two weeks after photo day. Enjoy!

Picture days are:
